Subject Re: Richardson Flat CERCLIS Issue with Dianna Lim

Kathy - I was asked by management to get with Dianna Lim about a CERCLIS entry she has open regarding a meeting with UPCM regarding reduced oversight. I told Dianna that you didn't plan on holding such a meeting as you have worked with these parties for years and there was nothing to discuss with them. Dianna indicated that you must hold this meeting and that she will wait to hear from you as to the date. I don't plan to follow up any further with Dianna on this issue, but thought I'd let you know what she told me her expectations are for you. Maybe you and she can work this out with a quick call. Hope so.

"The single biggest problem in communication is
the illusion that it has taken place."
